

Official map of proposed site

Below are extracts of maps supplied by Banks Developments as part of their planning application to Wakefield MDC to erect six 125m high wind turbines near Darrington, Wentbridge, Carleton and East Hardwick. Turbines will be only 500m from houses and turbine two is only 75m from Westfield Lane. The relevant Planning Application number is 07/01338/FUL and should be quoted in any correspondence with Wakefield MDC Planning Department regarding the objection to the wind farm development on Went Edge.

Site layout.

Below is the location plan supplied by Banks Development.

The purple line indicates 2km from the site. The blue line through Knottingley indicates 5km from the site.
